32oz

ENVIRO TAB™
FOR CLEANER AIR, WATER & SURFACES

Preparation Instructions:

Fill enclosed bottle with lukewarm water. Add one tablet to the full bottle. Apply cap or trigger sprayer. Allow 2 minutes for tablet to dissolve. Solution is now ready to use for any applications shown on the left.

- To clean: simply spray and wipe with microfiber.
- To deodorize: spray surface and allow to air dry.

Safety Information:

Keep out of the reach of children. Do not ingest. Do not handle tablets with wet or moist hands. Tablets must be added to the water, not water to the tablet. Protect your eyes from being splashed with the prepared solution.

Keep out of reach of children

Keep out of direct sunlight or high heat

Keep from freezing

Refer to the 1g pouch label for full instructions
